

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

THE CONSTITUTION.

I.

This society shall be called the ASSOCIATION OF TEACHERS OF MATHEMATICS IN THE MIDDLE STATES AND MARYLAND.

II.

The object of the association shall be the improvement of the teaching of mathematics.

III.

The officers of this association shall be a President, a Vice-President, a Secretary, and a Treasurer. These four officers, together with the Chairman of the Editorial Committee hereinafter provided for, and six additional members shall form the Council. The President, Vice-President, Secretary, and Treasurer shall be elected to the Annual Meeting and shall hold office for one year, or until their successors are chosen. Two of the other six members of the Council shall be elected at the Annual Meeting and shall hold office for three years, except that at the first Annual Meeting two shall be chosen for one year, two for two years, and two for three years. The President may be re-elected; but no one may at any time hold the office of President for more than two consecutive years.

It shall be the duty of the Council to pass on applications for membership, to arrange for all meetings of the Association, to appoint committees, and to transact all business of the Association arising between meetings of the Association.

At the Annual Meeting for 1909, the Council shall appoint an Editorial Committee of three members, one to serve one year, one two years, and one three years. The Council shall annually thereafter appoint one member of the Committee to serve for three years, and shall designate the Chairman of the Committee for the ensuing year. Said members of the Committee shall serve until their successors are appointed, and shall have charge of all the publications of this Association excepting the notices

sent out by the Secretary, but shall not have power to incur financial liability, unless with the consent of the Council.

IV.

The active membership of the Association shall consist of persons interested in the teaching of mathematics in the Middle States, Maryland, and the District of Columbia.

Honorary members, without power to vote, may be elected by the Council.

V.

Whenever it shall appear to the Council that a sufficient number of members of the Association are desirous of conducting periodic meetings in any locality, the Council may authorize the formation of a section to be composed of members of the society. The Council shall have the right to withdraw such authorization.

VI.

The Annual Meeting shall be held at a time and place to be selected by the Council.

A second meeting shall be held yearly about Easter time at a place to be selected by the Council at the preceding Annual Meeting.

VII.

The annual dues shall be fifty cents for subscribers to *THE MATHEMATICS TEACHER* and sixty cents to non-subscribers. All dues are payable at the time of the annual meeting.

VIII.

The Constitution may be amended at any regular meeting of the Association by a two-third's vote of the members present, provided that notice of the proposed changes has been given in the call for the meeting, sent out at least two weeks in advance, as well as at the last regular meeting of the Association. Thirty members shall constitute a quorum for the consideration of a change in the constitution.

THE BY-LAWS.

I.

1. Persons approved by the Council, as provided in Article IV of the Constitution, shall be admitted to membership in the Association upon the payment of the annual dues within sixty days of the date of their election.

2. Should the annual dues of any member remain unpaid beyond a reasonable time, the Council shall remove his name from the list of members, after due notice.

II.

1. The Council shall arrange the programs for the meetings of the Association.

2. The order of business at the meetings of the Society shall be as follows:

1. Reading of the minutes.
2. Recommendations and reports.
3. Elections.
4. Miscellaneous business.

3. No question relative to administration shall be considered at any meeting except the Annual Meeting, without the recommendation of the Council.

III.

1. The President may convoke the Council whenever the affairs of the Society require it.

2. A request in writing from two members of the Council shall render the convocation obligatory.

IV.

Any section of the Association shall be entitled each year to receive from the Treasurer of the Association, for administrative and other necessary expenses, an amount not exceeding one-fourth of the annual dues paid by its members to the Association, *provided*, that the Council shall have the power to make addi-

tional appropriations to any section, whenever such action is deemed advisable.

V.

No By-Law shall be enacted, amended or suspended except by a two-thirds vote of the members present at a meeting of the Association, and upon the recommendation of the Council.
